+Prerequisite must be met

- All classes are 3 credit hours unless otherwise noted

"Classroom in the Cloud"

Taught by dually certified instructor, Richard Chrisman, these classes meet **online** at specific days and times. Utilizing software that allows Mr. Chrisman to communicate with and see students' computer screen. This class is perfect for students interested in Information Technology and is offered at the reduced tuition rate of **\$49.00 per credit hour!** Call the Early Entry Office at 402.844.7243 for more information.

INFO 1420- 14546 Programming in C# - 4 cr hrs
(MWF 7:00am-7:50am)

TO REGISTER

See your high school counselor for a registration packet or visit the Northeast Community Website at www.northeast.edu and do a keyword search for "Early College." Submit an online application or paper application.

AFTER REGISTERING

After your registration form is processed:

- 1) You will be mailed a class schedule that will include your Student ID and emailed information on how to login to your My Northeast Account.
- 2) In order to access your online class, go to <https://myclasses.northeast.edu/>
 - a. Your username is your Student ID. If you need assistance finding your student ID, please contact the Service Center help@northeast.edu or call 402.844.4357.
 - b. Your Password is auto-generated and will be emailed to you **1 week prior** to the start of your online class. After you log into your online course, change your password by clicking on "Account" on the left-hand navigation and then clicking "Modify Details" and keying in your new password. To Access your course, click on the course name on the upper left-hand side of the screen.
- 3) If you need assistance with your online course, please contact the Service Center at help@northeast.edu or call 402.844.4357.
