

R I S E T O G E T H E R

Every interaction matters. Every role contributes. When we rise together, there is no limit to what we can achieve.

**NORTHEAST
COMMUNITY
COLLEGE**

OUR STRATEGIC PRIORITIES

Student Success and Support

We ensure students have the access and support to move confidently towards what's next.

WHAT DOES THIS LOOK LIKE?

Students will experience a strong sense of belonging through welcoming and inclusive learning environments, opportunities for student engagement, and comprehensive support services.

Students will be equipped to persist, complete their goals, and thrive beyond college through proactive advising and accessible resources.

The college will provide pathways that lead to timely completion and improve student retention and goal attainment across all programs.

Workforce Alignment and Career Readiness

We listen, adapt, and deliver what our communities need.

WHAT DOES THIS LOOK LIKE?

The college will collaborate with regional employers to ensure programming meets evolving workforce demands.

Students will be prepared to be employed, transfer to another college, and achieve career success.

All degrees, diplomas, certificates, and micro-credentials will be designed to deliver economic, social, and/or community benefit.

Students will have access to hands-on learning through internships, apprenticeships, micro-credentials, applied research, and other experiential learning opportunities.

Organizational Adaptability and Innovation

We continuously strengthen how we teach, serve, and work together.

WHAT DOES THIS LOOK LIKE?

Northeast will model excellence in teaching and learning and operational effectiveness through continuous improvement; professional development; the creation of dynamic, learner-centered curricula; and evidence-based decision making.

The college will foster a strong sense of belonging and provide streamlined services to ensure high-quality experiences for students and employees.

The college is committed to developing flexible, accessible programs that support all students, including those seeking new skills.

The college will remain resilient by anticipating and adapting to evolving educational, technological, and workforce demands.

The college will advocate for stable funding, diversify revenue streams, and ensure responsible resource management.

OUR VALUES

Adaptability

We use innovative and data-informed approaches to increase effectiveness, efficiency, and satisfaction while responding to the evolving landscape of education.

Collaboration

We leverage the skills and knowledge of our students, co-workers, trusted partners, and service area to advance our mission.

Community

We cultivate an environment where every student, employee, and community member feels welcomed, valued, and connected. We uphold the dignity, perspectives, and contributions of all individuals, and foster a culture of trust, respect, and mutual understanding.

Stewardship

We ensure the efficient and ethical management of our funds, workforce, facilities, land, technology, and time.

Student Success

We provide accessible pathways and comprehensive support services that meet students where they are and empower them to achieve their goals.

NORTHEAST COMMUNITY COLLEGE

OUR MISSION

Northeast Community College is dedicated to the success of students and the region it serves.

OUR VISION

Empower every person in our region to achieve their academic and career goals.

OUR STATUTORY PURPOSE

(Nebraska Revised Statute 85-962)

Student-centered, open-access institutions with the following instructional and service priorities...particularly targeting those who have been underserved in other educational settings:

- applied technology and occupational education
- transfer education
- foundational education (English Language Learning, high school equivalency (GED), developmental education)
- public service, continuing education, and personal development training
- community and economic development, workforce training
- work-based learning and applied research
