Success Story

“In 2022, I discovered the GED program and was able to start working on finishing my education. I am and always will be so grateful for the help of my GED instructor. She showed me I could do anything I put my mind to. The GED program is the greatest program I’ve ever attended.”

A. Sherk, SCC Adult Education Student

Served All 93

Statewide

Success Story

“I come from a country where the hopes of the citizens and the young people are frustrated by a communist regime. I have aspirations for my future, for example, to create my own business and to have a wonderful family, and now thanks to this program, I can reach even exceed those goals and aspirations.” E. Valle, NECC Adult Education Student
