### Mental Health Awareness Month

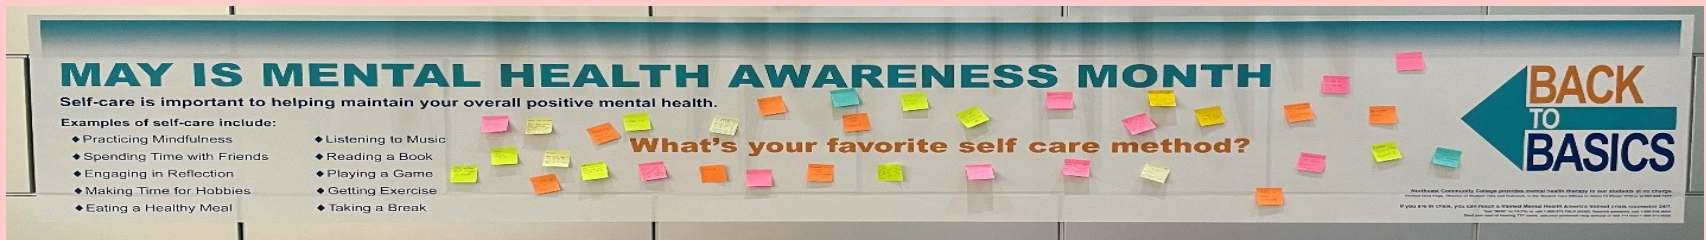

Since 1949, Mental Health Awareness Month has been observed during May. The 2022 theme is “Back to Basics” with a focus providing basic information about mental health and what people can do if they have mental health concerns.

The Northeast Library and Student Care and Outreach have teamed up to provide an interactive display focused on self-care. Self-care is important to helping maintain overall positive mental health! The display is located in Union 73 near Door 6. Students, faculty, and staff are invited to add their favorite method of self-care. Stop by to put your own Post-It or email [librarian@northeast.edu](mailto:librarian@northeast.edu) to have your method anonymously added to the display.

Northeast Community College provides mental health therapy to our students at no charge. Contact Gina Krysl, Director of Student Care and Outreach, in the Student Care Offices in Union 73 (Room 215) or at 402-844-7277.

If you are in crisis, you can reach a trained Mental Health American trained crisis counselor 24/7.

- Text “MHA” to 741741 or call 1-800-273-TALK (8255).
- Spanish speakers, call 1-888-628-9454.
- Deaf and hard of hearing TTY users, used your preferred relay service or dial 711 then 1-800-273-8255.
